

SUMMER AT
ASCENSION
— 2019 —

LET'S GET GEARED UP FOR SUMMER!

Ascension Episcopal School strives to provide a fun, upbeat environment over the summer months to keep your children engaged in a social atmosphere while continuing to learn. We provide opportunities for students to try unique and exciting activities in a safe and nurturing environment.

Our registration form is online this year alleviating the amount of paperwork behind the scenes. This allows us to quickly reference camper information, as well as, notify instructors of registrants immediately. Make this a summer to remember, and sign up today! Snacks are provided for most camps, but please send a lunch for camp days that extend beyond 12:30 PM.

REGISTRATION BEGINS FEBRUARY 1, 2019

ascensionbluegators.org/summer

Registration is first-come, first-served. Please register early!

Wait lists will be available for classes that fill.

Registration is for the grade level the child will be attending in the fall of 2019. All campers should be potty-trained to attend camp.

Due to staffing and supplies, there will be no refunds for absences, illnesses, or withdrawals after May 23, 2019. Camps cancelled due to low enrollment will result in a full refund.

Proration is no longer available. Please understand that when we book camps, we rely on fees to pay instructors and cover all materials, regardless of your camper joining us for one day or all five.
