

SMP School Supplies List 2018-19

Below are the school supplies needed for specific courses, divided by discipline. Beyond these required materials, students are expected to come to school prepared to learn. This means they need to have materials to take notes on and materials to take notes with, but they can decide, for example, whether separate notebooks or a binder with subject dividers works best for them.

Business I

Naked Economics: Undressing the Dismal Science (Fully Revised and Updated) by Charles Wheelan

ISBN: 0393337642

https://www.amazon.com/Naked-Economics-Undressing-Science-Revised/dp/0393337642/ref=sr_1_1?ie=UTF8&qid=1466606652&sr=8-1&keywords=naked+economics

A UL required textbook and online homework program will be purchased in class once the semester begins. The cost of this text is \$134.00. Business II students who have previously purchased the textbook will not be required to purchase another one.

English

The English Department believes that it is important for the students to be able to highlight and annotate the books they read during the school year. Therefore, we are asking parents to please buy new books instead of letting them use an older sibling's book that has already been highlighted and annotated. These are important skills that students need to practice.
